Draft resolution submitted by the Vice-Chairman of the Committee, Mr. Dharmansjah Djumala (Indonesia), on the basis of informal consultations held on draft resolution A/C.2/56/L.20

Report of the Governing Council of the United Nations Environment Programme on its twenty-first session

The General Assembly,

Recalling its resolution 2997 (XXVII) of 15 December 1972, by which it decided to establish the Governing Council of the United Nations Environment Programme,

Recalling also its resolution 55/200 of 20 December 2000 on the report of the Governing Council of the United Nations Environment Programme,

Recalling further the Nairobi Declaration on the Role and Mandate of the United Nations Environment Programme[1] and the United Nations Millennium Declaration,[2]

Taking note with appreciation of the progress being made by the United Nations Environment Programme in preparation for the World Summit on Sustainable Development,

1. *Takes note* of the report of the Governing Council of the United Nations Environment Programme on its twenty-first session;[3]

2. *Welcomes* the efforts already made to realize the objectives of the Nairobi Declaration on the Role and Mandate of the United Nations Environment Programme, supports the early and full implementation of General Assembly resolution 53/242 of 28 July 1999, and requests that the reports on the work of the

Environmental Management Group be made available to the Member States and members of specialized agencies;

3. *Reiterates* the invitation to the international environmental governance process initiated by decision 21/21 of 9 February 2001 of the Governing Council of the United Nations Environment Programme to submit its progress report to the Preparatory Committee of the World Summit on Sustainable Development, to be held in Johannesburg, South Africa, at its second session, to be held from 28 January to 8 February 2002, and the final results to the third session to be held from 25 March to 5 April 2002, so that it can be fully considered in the preparatory process, and notes with interest the ongoing work of the open-ended intergovernmental group of ministers or their representatives on international environmental governance with respect to the comprehensive policy-oriented assessment of existing institutional weaknesses, as well as future needs and options of strengthened international environmental governance;

4. *Underlines* the need for sufficient financial resources on a stable and predictable basis to ensure the full implementation of the mandate of the United Nations Environment Programme and, within this context, notes ongoing related deliberations;

5. *Notes* the proposal of the Secretary-General to increase United Nations funding for the cost of servicing the United Nations Environment Programme secretariat and the Governing Council from the regular budget;

6. *Requests* the Secretary-General to keep the resource needs of the United Nations Environment Programme and the United Nations Office at Nairobi under continuous review and make proposals as needed in the context of the United Nations regular budget, with a view to strengthening the United Nations Environment Programme and the United Nations Office in Nairobi.
